The RCAS was founded in 1973, initially in response to a planning application for a particularly unwelcome development. This work has continued to be at the core of our activities, our general aim being to preserve and enhance the character of our area, its architecture, trees and amenities, for the benefit of present and future residents.

Our principal activities are:

- Monitoring and commenting on Planning Applications and local planning policy, and on Liquor Licensing applications and policy.
- Planting of Trees in streets and parks. Monitoring tree works applications.
- Campaigning over Transport Issues and monitoring street services
- Sponsoring initiatives and fund raising to improve our Parks and play areas. Monitoring park maintenance.
- Organising the May Fair on Redland Green and the Open Gardens Sunday
- Publishing a quarterly Newsletter, distributed to members.
- Publishing local history Guides, and Greetings Cards with a Redland & Cotham theme, the work of local artists.
- Organising lectures, discussions and Observation Walks to encourage appreciation of Redland and Cotham.
- Organising annual Gold Star awards for developments that enhance the appearance of the Conservation Area.

Please join us & help to protect and improve the area in which you live.
